

SUBHAM PAUL

Kolkata, India | your.email@example.com | linkedin.com/in/yourprofile | github.com/yourusername

Technical Skills

Languages: TypeScript, JavaScript, HTML5, CSS3, SQL, Dart

Frameworks & Libraries: Angular, React, Next.js, Node.js, Flutter, OpenLayers

Tools & Runtimes: Git, VS Code, Prisma, PostgreSQL, MongoDB

Experience

Mid-Level Frontend Developer

May 2023 – Present

Tech Startup / Company Name

Kolkata, India

- Spearheaded frontend feature architecture optimization across multiple production web applications utilizing Angular and Next.js, ensuring high performance and responsive UI layouts.
- Spearheaded a team of six developers to maintain and ship robust workflow automations for enterprise system platforms.
- Integrated external hardware interfaces and dynamic localized e-signature endpoints (<https://localhost.emudhra.com>) for secure cryptographic validation modules.
- Built reusable UI component libraries using TypeScript, slicing feature deployment cycles by leveraging modular design patterns.

Frontend Developer

Dec 2022 – May 2023

Previous Company Name

Kolkata, India

- Designed and deployed web applications utilizing React and state management workflows, maintaining precise styling frameworks alignment across application states.
- Worked closely with backend teams linking REST APIs using Node.js, Prisma, and relational data repositories.

Key Projects

Enterprise Hospital Management System (NTPC Saanjeevani) | *Angular, CMS, Identity Verification*

- Developed the core modular web client structure for a massive, enterprise-grade hospital management dashboard ecosystem.
- Configured explicit identity verification modules alongside structured CMS page layouts to streamline complex clinical data updates.

Arunachal Pradesh GIS Project | *Angular, OpenLayers, Spatial Data Parsing*

- Implemented spatial metrics calculations, custom GIS boundaries rendering, and client-side performance tuning for geometric processing of heavy dynamic SHP spatial datasets.

Education

Vidyasagar University

Graduated 2022

Master of Science (M.Sc.) in Computer Science

West Bengal, India

College/University Name

Graduated 2017

Bachelor of Computer Applications (BCA)

West Bengal, India
